Product description

Axing SZU 11-01 Waterproof Rubber Boot for F Connectors – Neoprene, UV Resistant

The Axing SZU 11-01 protective rubber boot provides additional protection for F connectors and coaxial cable connections against moisture and weather exposure. It is particularly suitable for outdoor coaxial connections used in satellite TV, antenna and cable TV installations.

Made from durable neoprene, the protective sleeve is UV-resistant and designed for outdoor use. Integrated ventilation openings help provide ventilation around the protected connection.

• Product: Protective rubber boot / weather protection sleeve for F connectors

• Model: Axing SZU 11-01

• Material: Neoprene

• UV-resistant: Suitable for outdoor installations

• Ventilation: With integrated ventilation openings

• Application: Protection of F connectors and coaxial cable connections

• Suitable for: Satellite, antenna and cable TV ins …
