Product description

Quattro LNB Inverto Home Pro |IDLH-QTL410-HMPRO-OPN

Specifically designed for the European DTH markets this LNB provides optimized reception capabilities and is designed to address the need to support multiple LNBs installations on a single dish antenna. The LNB enables the reception of signals from one satellite and its distribution via a Multiswitch to numerous Set-Top Boxes and is ready for High Definition transmissions and provides excellent Noise Figure performance. Manufactured to the highest industry quality standards and designed to meet strict specifications, this LNB is an ideal solution for the satellite broadcast reception across Europe.

Main Features:

• Low Phase Noise, DVB-S2 (HD and UHD) compliant

• Low Noise Figure

• Low power consumption

• High Cross Polarization Isolation

• High Frequency stability
